*FOR IMMEDIATE RELEASE*

## **dwp | design worldwide partnership signs MoU with WGC International, creating 'dwp | wgc' for integrated audio-visual + lighting design solutions**

---

*dwp | design worldwide partnership recently signed an agreement with WGC International, in Bangkok on 23<sup>rd</sup> August 2012, to create a brand new audio-visual + lighting design solutions partnership 'dwp | wgc'.*

World-class architecture and interior design firm **dwp** has entered into a partnership with WGC International, to create a brand new partnership **dwp | wgc**, continuing with this expansion of their sphere of expertise and service offering to clients worldwide.

**dwp | wgc** unites the considerable architecture and interior design experience of **dwp | design worldwide partnership** seamlessly with the specialist audio-visual and lighting design solutions of WGC International. Together, **dwp | wgc** provides superior integrated design services,

further exceeding the expectations of a vast portfolio of clients around the globe. From the inception of the design process, right through to project completion, **dwp | wgc** is at the leading edge of integrated, innovative design solutions, with an exacting attention to detail. With over three thousand completed design projects, across industries, **dwp | wgc** demonstrates the necessary extensive experience and unique capabilities, to be a trusted partner, delivering on excellence every time.

*“**dwp** is right on course in our continuing quest to ensure a one-stop integrated design service offering to our extensively varied client portfolio. As they share our vision of providing excellence and the highest international standards, we are both incredibly excited and proud to be partnering with such a highly specialised and dynamic company, as WGC,”* remarked Brenton Mauriello, CEO for **dwp | design** worldwide partnership.

*“With the emergence of **dwp | wgc**, we are now poised to push the envelope of possibility for the synergy between architecture, interior design and technology. The benefits of a combined vision are important for providing creativity, tight integration and exceptional value for our customers. We are ecstatic to have such an innovative and sought after partner as **dwp**,”* stated Kenny Jackel, CEO of **dwp | wgc**, formerly CEO of WGC International.

**dwp | wgc** aims to provide unique tailor-made audio-visual and lighting consultancy, from conception through to development of design and implementation of solutions, focused on sustainability, quality and exceptional results.
