

design worldwide partnership

*FOR IMMEDIATE RELEASE*

**dwp | design worldwide partnership signs MoU with NEXT  
Hospitality, creating 'dwp | next' for integral hospitality  
design concepts + solutions**

---

*dwp | design worldwide partnership recently signed an agreement with NEXT Hospitality, in Bangkok on 23<sup>rd</sup> August 2012, to create a brand new hospitality design concepts + solutions partnership 'dwp | next'.*

World-class architecture and interior design firm **dwp** has entered into a partnership with NEXT Hospitality, to create the new partnership **dwp | next**, further extending their sphere of expertise and service offering to clients worldwide.

Together, **dwp | next** fuses the services and skills of two exceptional companies, to provide dedicated vertically integrated F&B solutions, individually tailored to the specific needs of each hospitality client. A trusted partner to the hospitality industry, from feasibility studies through to completed project delivery, **dwp | next** provides F&B consultancy and design services to the highest international standards around the globe. With over three thousand completed design projects, and a vast hospitality portfolio, **dwp | next** presents the necessary experience and demonstrates the unwavering capabilities, to exceed client expectations in all aspects of hospitality concepts, design and solutions.

*“This is an exciting time for **dwp**, as we continue extending our one-stop integrated design service offering to our clients. We are greatly honoured to be partnering with such a specialist and innovative company, who shares our vision of providing excellence and the highest international standards,”* remarked Brenton Mauriello, CEO for **dwp | design worldwide** partnership.

*“The creation of such an innovative and complete relationship has long been awaited. Finally, there is a creative and highly focused passionate company, which can provide a complete scope of services to the client. We are proud to be a part of a such a leading, globally recognized and respected company, which puts clients first and also strongly believes in providing the total quality experience,”* stated Russell Paine, CEO of **dwp | next**, formerly CEO of NEXT Hospitality.

**dwp | next** aims to provide unique tailor-made food and beverage consultancy, concepts, architecture, interiors and development, focused on sustainable quality and outstanding results.

**About dwp | architecture + interior design:**

From small, voracious, entrepreneurial beginnings, since 1994, dwp has flourished into an award-winning, one-stop integrated design service, with global reach. Even in the most challenging of locations, over 450 multi-cultural professionals work together to deliver architecture, interior design, planning consultancy and project management, across borders, to the highest international standards. With currently 12 offices in 10 different countries, **dwp** presents its finest iconic designs time and again.

**About NEXT Hospitality:**

NEXT Hospitality has consistently created innovative lifestyle-inspired concepts, consultancy and solutions for the hospitality industry across Asia-Pacific and Europe. Focusing on F&B brand development, service and concept design, as well as project management, attention to detail from inception to completion is paramount. Services include devising concept themes, vision and unique identity, in addition to complete handling of all aspects of concept development implementation.

**About dwp | next:**

**dwp | next** fuses the services and skills of hospitality architecture and interior design with unique F&B concepts and solutions, to provide dedicated, comprehensive vertically integrated services, individually tailored to the specific needs of each hospitality client. From feasibility studies through to completed project delivery, **dwp | next** provides F&B consultancy and design services to the highest international standards around the globe, as a trusted hospitality industry partner.
