Sambal Bar & Grill is a chic dining/party venue in Bangkok, as well as a perfect location to celebrate special events and occasions. Sambal offers stylish alfresco dining, alongside the Chao Phraya River, and is an urban oasis to escape the hustle and bustle of Bangkok. Sambal Bar & Grill, a 1,088sqm lifestyle experience, was designed by world-class architecture and interior design firm dwp and completed in January 2010.

The setting provides a modern Balinese feel, married with cultural Thai detailing. Sambal tells a tale of blended contemporary and traditional harmony. A show kitchen takes centre-stage with an open-fired charcoal grill. Picture sipping on signature cocktails at sunset from the riverside at Sambal Bar, while chilling out to soothing, sultry tunes, or feasting on Southeast Asian influenced cuisine in one of the screened nooks indoors or private chill zones, ideal for intimate dining or business talk.

Note to Editors:

dwp | architecture + interior design - From small, voracious, entrepreneurial beginnings, since 1994, dwp has flourished into an award-winning, one-stop integrated design service, with global reach. Even in the most challenging of locations, over 450 multi-cultural professionals work together to deliver architecture, interior design, planning consultancy and project management, across borders, to the highest international standards. With currently 12 offices in 10 different countries, dwp presents its finest iconic designs time and again.
